JESSE WHITE · SECRETARY OF STATE

Illinois colleges and universities are diverse institutions of research, athletics and higher learning as well as centers for cultural exchange.

With this in mind, it is an honor to recognize Illinois colleges and universities — its students, faculty, staff and alumni — by offering Illinois motorists Collegiate License Plates for their vehicles. By purchasing these plates, you will be helping support scholarships for Illinois college students while displaying your pride for your favorite school or alma mater.

I urge you to become a partner in higher education by purchasing a set of Collegiate Plates. I look forward to serving you.
